

# Concordia University, St. Paul and Minnesota Corrections Association Partnership

The Minnesota Corrections Association partnership with Concordia University, St. Paul offers members a **\$2,000 tuition discount** and **priority admission status** when they enroll in any accelerated undergraduate or graduate degree program at the university.

## THE CONCORDIA PARTNERSHIP ADVANTAGE

- **Provides an Achievable Degree:** Concordia's accelerated format helps students complete their degree in less than two years, putting their goals within reach faster than they may have thought possible.
- **Makes Education Affordable:** Competitively priced programs and a \$2,000 scholarship for members of Concordia Partnership Advantage companies offer students a private college education at an affordable price.
- **Opens Doors:** Earning a college degree signals that employees take themselves seriously as professionals because they have invested in their career growth through education.
- **Attracts Attention:** Coworkers and supervisors will notice positive changes as students progress through their degree program. Students learn to express their ideas more confidently and share how they envision their role in the company.
- **Allows Transfer Credits:** For undergraduate students, Concordia's credit acceptance policy ensures students get maximum credit for previous college work.

\* Eligible students are awarded \$2,000 (\$1,000 annually) at the time of admission.
